

TIPS FOR SELF-MANAGED HOTEL BORROW ITEMS

As part of the **Choose to Reuse Port Douglas pilot project**, the Queensland Government will be **funding reusable takeaway coffee cups** that may be trialled by Hotels, including an option to trial pre-purchased Self-Managed Borrow Cups. Self-managed borrow items can be **custom printed with your Hotel Brand** or use the [free for commercial use Choose to Reuse Port Douglas logo](#). Any custom printing on water bottles are encouraged to include the [QR code](#) to the [Port Douglas Refill Map](#).

TIPS FOR CHOOSING BORROW ITEMS AND EXAMPLES OF GOOD, EASY TO CLEAN AND BREAK-PROOF DESIGN

Reusable Coffee Cups

- Flat, easy to clean lid with no additional compartments.
- Dishwasher safe/simple sanitise soak.
- High food-grade material and scratch resistant.
- Customisable for printing.
- Suitable for 8-12oz coffee.

Reusable Water Bottles

- Tall leak-proof tumbler or traditional bottle design.
- Simple, easy to clean lid with no additional compartments.
- Dishwasher safe/simple sanitise soak.
- Wide-mouth design to place upright in dishwasher
- Suitable materials incl. stainless steel, borosilicate glass, clear reusable plastic.

Reusable Bags

- Materials are durable, washable, and surpass reusable plastic bag requirements.
- Option to customise bags.
- Wide/sturdy handle and strong base to maximise reuse.
